INSTRUCTION GUIDE

This instruction guide provides important information and tips to help you complete the Withdrawal Form. The sections of the instruction guide match the sections of the Withdrawal Form.

Please read it carefully and follow along as you complete the Withdrawal Form.

Step 1: Your information

Quick tips:

- **Include full U.S. Social Security number/U.S. Taxpayer Identification number.**
- **Confirm your address.**
- **Attach IRS Form W-8BEN, if applicable.**

U.S. Social Security number/U.S. Taxpayer Identification number

It's important that you provide your complete and correct U.S. Social Security number/U.S. Taxpayer Identification number for accurate tax reporting and verification.

Account extension

You will only have an account extension if you have multiple accounts on our platform. If you have an account extension, it can be found on your statement.

Updates on this request

We will keep you updated on the status of this withdrawal if you provide us your mobile number or your email address. By providing your mobile number and/or email address, you are consenting to receive text messages, emails, or both related to this request.

Are you a Non-Resident Alien?

If so, we will withhold taxes at a rate of 30% unless your country of residence has entered into a tax treaty with the U.S. that provides for a reduced withholding rate or an exemption from withholding. To claim this treaty rate, you must complete and attach IRS Form W-8BEN. You can download this form by accessing irs.gov, clicking *Forms & Instructions* at the top of the page, and typing "W-8BEN" in the search bar.

Use the tips below to make sure your W-8BEN form is received in good order.

- To receive the treaty rate, the country must be listed on the IRS website as having a treaty benefit.
- Your name and country of citizenship must be spelled out and the country cannot be the United States of America.
- Your address cannot be a P.O. Box.
- You must provide a valid date of birth.
- Your form must be signed and dated.
- Your foreign tax identifying number cannot match your Social Security number or individual taxpayer identification number.
- All countries listed on the form must match.

Confirm your address

For your security, **your address on the Withdrawal Form must match the address we have on file.** Address information must be on file for at least 15 days. If you need to make a change to the address we have on file, call us at 1-800-338-4015.

Step 2: Withdrawal instructions

Quick tips:

- **Review your vested account balances.**
- **Decide how much you want to withdraw.**

By electing a Coronavirus-related withdrawal, you certify:

- (i) The amount of the Coronavirus-related withdrawal you have requested when added to all previous Coronavirus-related withdrawals from all of your employer plan accounts and IRAs, does not exceed \$100,000; and
- (ii) Your spouse, your dependent or you have been diagnosed based on a test approved by the Center for Disease Control (CDC); or
- (iii) You have experienced an economic loss due to such virus or disease because of one or more of the following reasons:
 - You were quarantined.
 - You were laid off or furloughed.
 - Your work hours were reduced.
 - You were unable to work due to lack of child care.
 - You had to close or reduce working hours for the business you own or operate.

You may re-contribute any portion or all of this Coronavirus-related withdrawal within three years of receipt.

Step 3: Tax withholding

Quick tips:

- **Default amounts will be withheld if no selection is made.**
- **Attach state withholding form, if applicable.**

The entire Coronavirus-related withdrawal amount will be reported as taxable income in the year received. Federal tax on this qualified withdrawal will be included in your gross income equally over the three-year period beginning with the year you receive the money, unless you elect to pay the entire amount of federal taxes due in the year distributed.

How is tax withholding calculated?

Since the Coronavirus-related withdrawal is not eligible for rollover, it is not subject to the mandatory 20% federal tax withholding. The default federal withholding is 10%. If you do not make a selection on the Withdrawal Form, we will withhold the default amount. Any state tax withholding is based on your state of residence.

What if you would like to withhold more than the default amount?

If you would like to withhold more than the default withholding, enter the percentage or dollar amount you want withheld. **Do not enter both. The percentage or dollar amount entered for federal withholding cannot be less than 10% of your withdrawal.**

Special notes about state withholding, if applicable.

If you are making this withdrawal in a state that has different tax withholding laws from the state you live in, we encourage you to consult with your tax advisor before making your withholding elections.

If you would like to withhold taxes differently than your state's rate and your state allows you to, you must include a completed state income tax withholding form with your withdrawal Form. You can obtain your state's income tax withholding form on the state's website.

If the form is required for your withdrawal and you do not include it or do not complete it accurately, the withdrawal will be taxed according to applicable state regulations.

Step 4: Delivery options

Quick tips:

- **Choose your delivery option.**
- **Note any applicable fees.**
- **Checks are mailed to the address we have on file.**
- **Electronic deposits (ACH) are made to the bank account we have on file.**
- **Address and banking information must be on file for at least 15 days.**

Your payment will not be delivered until the withdrawal process is complete. This includes receiving your request in good order.

Delivery options:

- Regular mail
- Express mail
- Electronic deposit (ACH) (See *Important information about electronic delivery* below.)

All payments sent by regular or express mail will be sent to the address we have on file. This is for your security and to help prevent fraud on your account.

You may not use this form to update your mailing address. If you need to update your mailing address, call us at 1-800-338-4015 for instructions.

If an option is not selected, your withdrawal will be sent by regular mail.

- There is a \$25 fee for express mail.
- There is a \$15 fee for electronic deposit (ACH).
- Any delivery fee is non-refundable and will be deducted from the withdrawal amount.
- Express delivery will occur Monday through Friday, with no signature required.

By choosing electronic delivery, you are authorizing us to deposit and withdraw funds to and from your account as necessary, including any adjustments that may be needed. Also, you are authorizing your bank to receive deposits and allow withdrawals, including adjustments, in the same manner.
- Your ACH banking information must have been previously submitted to us and verified for your protection; otherwise we will send the check to your address on file.
- You authorize and direct your financial institution not to hold any overpayments on your behalf, or on behalf of your estate or any current or future joint account holder, if applicable.

- If any section of the Withdrawal Form is incomplete or inaccurate, your request may not be processed and may require a new form or additional information before it can be processed.
